WORTH-A-BIT QUEEDY 7Z

WORTH-A-BIT NEW FRONTIER 1U

Comments: We are very happy with all our 2012 heifer calves so it was very hard to decide which one to offer up for the sale. Queedy 7Z combines some of the great bulls of the breed (NEW FRONTIER 095 and STOCKMAN 365) in her pedigree. She is long, smooth and gentle like all of her sire's progeny and will be halter broke. We also thought it was fitting to consign this heifer to the sale as her maternal granddam, LEOWILL QUEEDY, was purchased from the late Bill Pryor who was a strong promoter of this sale and of the breed.

Comments: Brandy Brook Yahoo is a sharp and stylish heifer with loads of depth, a great hair coat and a stacked pedigree. She is a late-April heifer that has competed well against the January's, placing in every class. She was a 4H project this year taking champion Angus heifer and honorable mention overall at County exhibition. She will make a great brood cow-dam is a moderate frame, easy-keeping cow. Was bred AI to roan Shorthorn for potential blue roan steer prospect or crossbred heifer.
