### Rules, Regulations & Show Information

1. The show will be limited to a maximum number of animals across all breeds (a maximum of at least 100 but we are trying to confirm expanded stall space compared to last year so that maximum may increase). If more than the maximum entries are received spaces in the show will be allocated based on the proportion of requested entries per applicant.
  - Accepted entries will be confirmed on August 10, 2016.
  - Exhibitors will be refunded the entry fee for any animal not approved for the Expo. Refund cheques will be mailed out no later than August 12, 2016.
  - If an exhibitor chooses to show fewer animals than they are approved for, no entry fee refund will be issued.
  - Substitutions are allowed prior to arrival date but the new animal must be in the same class as the initial entry. For example, if you intended to show a yearling heifer but it has become ill or injured you can substitute it with another yearling heifer but not a heifer calf.
2. Late entries will not be accepted.
3. Preference will be given to entries owned, in whole or in part, by residents of Nova Scotia.
4. The show is a Purebred Show. Cross-bred or F1 bred animals will not be admitted.
5. All breeds must have no less than 12 animals or 3 animals per class. Any breeds or classes that do not meet these requirements will be entered into a commercial class.
6. Calves born January 1, 2016 will be permitted to show with their dams in Classes 5 & 6.
7. Nurse Cows will not be permitted; however, 2016 beef calves will be allowed to show. These calves may leave each night after 8pm and must be returned by 8am each morning. 2016 calves which fall under this rule must be identified on the Nova Scotia Elite Beef Expo Entry Form.
8. Exhibitors who do not keep their stalls and animals clean will be contacted by the show administrators and will be given a timeframe to improve conditions. Further penalties will result should this not occur.
9. Beef exhibitors will be requested to wear suitable clean clothing and footwear at all times. Breed colors are requested for the show ring.

### Exhibitor Pass Policy

This year the Nova Scotia Provincial Exhibition will be issuing credentials to each exhibitor and support staff needed to participate in the Expo - rather than one pass per farm that was issued in the past. Credentials are to be worn at all times while inside the exhibition grounds. They will indicate the name of the person as well as the dates and time (if necessary) they should have access to the grounds. Please make sure to include the names of all exhibitors and support staff you plan on needing for the Expo in the space provided on the entry form to ensure complimentary access is available for them.
