Ultrasound Services Booking Application

Farm Name _____

Contact Name _____

Address _____

Phone Number _____

Email Address _____

Type of Animal _____ Sheep _____ Cattle _____

Number of Animals _____

Age of Animals _____

Preferred Dates _____

Ultrasound fee is broken down into four parts:

- Call Fee (if multiple farms are block booked, this ranges from \$50-\$150; for individual bookings, you will be contacted with the fee). This covers set-up, report preparation, meals and accommodations.
- Chute side scanning fee (\$60/hour). This covers the activity of ultrasounding the animals.
- Per Animal Fee: Cattle: \$22.00 per animal, which covers the CUP submission and report fees
Sheep: No Fee, there are no submission or report fees
- Travel expenses (\$0.577/km)

Proof of General Commercial Liability must be sent to the Nova Scotia Cattle Producers prior to a booking being finalized.

We will try our hardest to accommodate your preferred scan date. However, scheduling will be completed in accordance with grouped bookings by location to decrease travel/call fees.

Producer must be within good standing of their provincial organization.

By signing this form, the Producer is accepting responsibility for all animals under their care.
