

About the Nova Scotia Cattle Producers

The mandate of Nova Scotia Cattle Producers is to promote and assist in the sustainable development of Nova Scotia's beef production industry in the best interest of the members and, ultimately, all Nova Scotians.

In addition to its own initiatives, the NSCP works co-operatively through representation on the Canadian Cattlemen's Association board and committees, the National Check-off Agency, The Beef Cattle Research Agency and the Beef Information Centre. Regionally, NSCP participates in the Nappan Beef Research Committee, the Maritime Beef Council and The NS Federation of Agriculture Council of Leaders, among others.
